

La colección **PURE** es una búsqueda de la simplicidad que recuerda a las sillas tradicionales. De proporciones contenidas y ligera, sus dimensiones suaves y compactas y líneas transmiten a la perfección el concepto de una silla que habla un lenguaje universal. | ***PURE** collection is a search for simplicity, reminiscent of traditional chairs. With contained and light proportions, its soft and compact dimensions and shapes, perfectly convey the concept of a chair that speaks a universal language.*

PURE
