

La silueta redondeada del mueble, hace que Corvo sea una colección de aspecto suave y voluminoso. A su vez, esto es lo que permite que todas las piezas queden integradas de manera precisa sin necesidad de piezas extra, generando un aspecto mucho más limpio y cuidado.

The rounding edges along the entire perimeter of the furniture gives Corvo collection a soft and voluminous appearance. This is what provides all models of this collection, a self integration without the need to introduce any other pieces of furniture, creating a much cleaner and neater appearance.

Les lignes arrondies caractéristiques de la gamme Corvo apportent à cette série une impression de douceur et de volume. Cette particularité permet aux pièces de s'intégrer précisément, sans besoin d'éléments superflus proposant ainsi un aspect plus soigné à tous types d'intérieurs.
